2) Seat Arrangement Dispenser Guide

- Scan your student ID card on the seat arrangement dispenser, and then select the room you would like to use on the touch screen. Then, select the desired seat number to automatically dispense the seating number.
- You can use your arranged seat for 5 hours, and then you can extend your usage time 2 more times. (Up to a total of 15 hours.) If you want to extend your time at your assigned seat, you must scan your student ID at the seat arrangement dispenser 1 hour before your time expires. You can then use your seat for 5 more hours starting from when your extended time begins.
- If you are leaving before your arranged seat expires, return your seat at the seat arrangement dispenser so other students can use the seat.
